

## Challenger Accessories

### Umbrella For Pipelayers

### Challenger Pipelayer Umbrella

#### FEATURES:

- 4-Way adjustable canopy—giving constant shade. A twist of the wrist changes the canopy to any angle—front, rear, up-down or either side.
- The off-set boom is installed clear of the seat. It holds the canopy out and over the operator. No interference mounting, standing or sitting.
- Folds down and out of the way when not in use.
- Folds up and easily removed for easy storage.

***Made to last for years with normal care!***

Challenger Services has the perfect accessory available for their line of pipelayers—the CP-66, CP572G and CP583K. Of course, this umbrella will fit any pipelayer but we wanted to remind you we build and rent pipelayers.
